

Call for Proposals: Engaged Scholarship Panel at the 45th Annual ARNOVA Conference

November 17-19, 2016, Washington, D.C.

The Association for Research on Nonprofit Organizations and Voluntary Action (ARNOVA) is a U.S.-based, national and international association of scholars, teachers, and practice leaders interested in research on nonprofit organizations, voluntary action, philanthropy and civil society. ARNOVA's 45th Annual Conference invites participation from researchers in all academic disciplines, and from a range of professional and personal backgrounds – including nonprofit executives and staff, foundation staff, consultants, and policymakers. This year's theme is Nonprofits, Philanthropy, and Government: Policy and Partnerships in an Era of Change.

ARNOVA's Community and Grassroots Association section is seeking paper proposals for a panel on the theme of Engaged Scholarship. Organizers hope to address the question: What is the state of engaged scholarship in nonprofit studies today? Papers are sought that address this theme especially within the context of teaching, research, and institutional change. Organizers are also interested in empirical papers that explore the strengths and challenges of specific community engaged scholarship efforts. Please submit your ideas to Margaret Post (margaret.a.post@dartmouth.edu) and Jennifer Dodge (jdodge@albany.edu) by **March 21st, 2016** for consideration.
