

**Effective Practices for Mobilizing Change Agents
Preconference Workshop**

**Outreach and Engagement Practitioners Network (OEPN)
Engaged Scholarship Consortium
October 3, 2023**

Join us for the 2023 Outreach and Engagement Professionals Network (OEPN) Pre-Conference hosted by the Engaged Scholarship Consortium (ESC) to unlock your full potential as a boundary-spanner and community engagement practitioner!

This event is designed to provide you with practical tools and strategies for personal development that you can use to enhance your skills, build stronger relationships with your community, and make a greater impact. Whether you're a seasoned professional or just starting out, this workshop will offer valuable insights and guidance to help you grow both personally and professionally. Don't miss this opportunity to invest in yourself and your career!

The 2023 OEPN Meeting, *Effective Practices for Mobilizing Change Agents*, offers engagement practitioners who work in institutions of higher education or community organizations the opportunity to:

- Hear new ideas and skills of importance
- Be introduced to the latest work and research in the field
- Learn about approaches to advocate for your outreach and engagement work strategically
- Discuss ways in which we maintain partnerships and advance efforts to improve the quality of life for members of our community
- Explore trends and topics impacting engagement professionals
- Network with other professionals across the country and the world
